Subject: EPA Office of External Affairs - Pavillion POC

I haven't seen or heard anything yet regarding the soon to be released joint statement/press release for the Pavillion project, but wanted to provide the Office of External Affairs point of contact's information (at least I understood Molly to be the POC from yesterday's call). Send all inquiries to Molly Hooven (contact info below), and I suggest that you 'cc' Liz Blackburn (Director of ORD's Office of Science Communications; blackburn.elizabeth@epa.gov) so that she is in the loop.
